

Goose Creek United Soccer Club

Goose Creek United Newsletter #0802

July 22, 2008

GC United Soccer is excited to make several well deserved announcements. On July 12 GCU hosted a Micro Camp for new players and had a good crowd of future stars. The camp was a good time for the campers as well as the trainers and coaches. It was great to see our current teen-agers active with the younger children. They all volunteered and did a great job and several were heard saying they did it because they wanted to give something back to GCU...Sounds like future coaches to me!

During the Camp the Club was well represented and introduced their new mobile on-line registration and had open registration for the Fall-2008 season. Live music was playing in the background while the campers enjoyed grilled hot dogs at its conclusion. Games and the music wrapped up at 2:00 and the entire gathering took part in a memorial for Matt Slagle and Ralph Schmaltz as they were recognized for their contributions and commitment to GCU and area soccer development. These guys made soccer available for those that live in the area to experience the game at higher levels and compete against similar athletes. Their dedication has been a big part of the success of GCU and of the players that have gone on to play in high school, college and beyond.

The Club is currently busy with Fall-2008 Recreational Club registration. This can be accomplished on-line at ww.GCUnitedsoccer.com and at several area-registration sites (look for the signs and check the website for scheduling). We are anxious to get teams organized and practices started for the upcoming season. If you are interested in playing local Club soccer and want to take advantage of the lowest Club fees in the area please register by August 1, 2008. The registration fee is \$100.00 plus uniform (\$65.00). This is a volunteer organization and you pay NO trainer or coaching fees in the Recreational Club program. A birth certificate and medical release are required to complete the registration.
