Friends, Family, Past and Future players:

Goose Creek United is excited to announce the changes in club offices and plans for the Fall 2008 Recreational Club Season. The Board of GCU met recently and discussed the future of the club and it is obvious that there is a demand for a local Club (LSYSA affiliate) and the decision was made to restructure the Board. New Board members were selected and the Club has a bright future.

Many changes are being made and the Club expects to field teams in the Recreational Club level for the Fall 2008 season. This will require minimal travel and normally within the Charleston area – maybe as far as Walterboro or Beaufort. All coaches will be certified and players will be registered with LSYSA/LYSA. We are committed to quality programs with an emphasis on skill development, sportsmanship and opportunity. Go to [www.gcunitedsoccer.com](http://www.gcunitedsoccer.com) and look for news, updates and registration information.

GCU has been the dream of a small group of very dedicated people that we want to honor and recognize for their commitment and passion. Please continue to support your local Club organization and pass this info along.
